The NEW Korean Chrysanthemum (Chrysanthemum Coreanum)

A remarkable new perennial of iron-clad hardness from Korea, forming fine large clumps 2 to 3 feet in both height and diameter. The large white flowers have golden centers, resembling a glorified Oxeye Daisy; the petals often turning to a light claret pink. It blooms in the greatest profusion in late October to early December, and is destined to become a profitable cut flower subject for the florist.

Excellent one-year-old plants from 2½-inch pots, \$2.25 per dozen, \$15.00 per 100, \$125.00 per 1,000.

Ferns

(From 2½-inch Pots)

We annually grow 200,000 2½-inch Ferns for spring and summer delivery, and are the introducers of Roosevelt and Teddy, Jr., two of the best types. We urge you to place your order early—We predict a shortage this year.

Roosevelt, Teddy, Jr., Boston, Dwarf Boston, Whitmanii, Whitmanii Compacta, John Wanamaker, Scholzei, Scottii, and Goodii—2½-inch pots, \$7.00 per 100, \$65.00 per 1,000. 4-inch pots, \$3.25 per 12, \$25.00 per 100.

The Fluffy Ruffles Fern

N. Superbissima

We have a limited but excellent stock of this rare Fern. Its distinguishing characteristics are its dark green foliage, darker than that of any other fern, its dense, compact growth, and its irregular shaped fronds. It is the most beautiful of all Ferns.

2½-inch pots, \$8.00 per 100, \$75.00 per 1,000.

Dwarf Ferns for Dishes

Offered in an assortment of the five best varieties, including Holly. 2½-inch, \$5.50 per 100, \$50.00 per 1,000.

Gladiolus Bulbs

Well cured, healthy bulbs for forcing.

Note special prices on the leaders—Virginia, Pendleton, Halley, Norton, and Shaylor. Special 10% discount on orders for 5,000 or more bulbs.
